CHIUSINO REGOLABILE CON PORTA PIASTRELLA

Il chiusino porta piastrella permette di utilizzare una piastrella come chiusino. In questo modo si migliora notevolmente l'impatto visivo.

Materiale: Corpo e sifone in ABS - Portapiastrella in acciaio Inox AISI304 e ABS.

ADJUSTABLE FLOOR DRAIN WITH TILE TRAY

The squared floor drain with tile tray allows you to use a tile like a cover. In this way you can reduce the visual impact.

Material: Body and syphon in ABS - Tile tray in stainless steel AISI304 and ABS.
